The laidback energy that draws visitors to the Pueblo Magico (Magic Town) year after year makes Loreto, Mexico the place to go for a relaxing and rejuvenating trip. Much like this Baja California Sur beach town, the Loreto floor plan is a staycation awaiting your arrival. The front balcony off of the owner's suite gives that experience of waking up each day to a postcard-like view. This home maximizes every inch of usable space and is one of the most popular plans from this lineup.
